

WHAT WE DO:

Eagle Land Brokerage has a philosophy of giving. We make it a standard practice to give 10% of our net earnings to charities and organizations who serve underprivileged people. We make all donations through a Donor Advised Fund via the National Christian Foundation.

Our success in the real estate business has allowed us to reach out and help others around the world. We believe we are “blessed to be a blessing” and that it is not only our privilege to help those who are less fortunate, but it is also our responsibility.

This flyer is designed to provide information about several of the charities, ministries and organizations that we help support and to invite you to consider partnering with us in our fight to help those in need locally, and around the world.

“HONOR THE LORD WITH YOUR WEALTH AND WITH THE BEST PART OF EVERYTHING YOU PRODUCE. THEN HE WILL FILL YOUR BARN WITH GRAIN, AND YOUR VATS WILL OVERFLOW WITH GOOD WINE.”

- PROVERBS 3:9-10

HOW WE TAKE ACTION:

Only 4% of the world's population live in the United States. We believe that to have a balanced perspective of the world we must take into consideration that almost half the world — over three billion people — live on less than \$2.50 a day and at least 80% of our population live on less than \$10 a day. According to UNICEF, 22,000 children die each day due to poverty. And they “die quietly in some of the poorest villages on earth, far removed from the scrutiny and the conscience of the world.” By showing up and being present, we have experienced outstanding joy and peace in the homes of people who live with so little. We have come to realize that although they live in poverty they have an attitude of abundance while many live with abundance and have an attitude of poverty. Over the years we have gone on many mission trips around the world and we have come to realize that with our resources we can accomplish in 2 weeks what typically requires 10 years. **If you would like to be a part of one of these incredible missions or to sponsor a team, please call: 970-249-4300 or email: office@eagleland.com**

WHO WE SUPPORT GLOBALLY, NATIONALLY, AND LOCALLY:

Samaritan Aviation operates the only float-plane in Papua New Guinea, the second largest island in the world. We currently serve in the East Sepik Province whose population is estimated at 500,000. We serve those living in the East Sepik through emergency evacuation flights, medicine delivery, disaster relief and community health programs.

The organization serves the Church worldwide to promote the Gospel of the Lord Jesus Christ.

HOW WE GIVE:

Every day, our team at the National Christian Foundation (NCF) helps generous givers like you simplify their giving, multiply their impact, and experience the joy of sending more to their favorite causes than they ever dreamed possible. So whether you're passionate about more Bibles for your local church, more food for the hungry, more clean water, or more justice ... start dreaming big, because we sure are.

From the simplicity of the Giving Fund to the multiplying power of Asset-Based Giving, our creative solutions help givers experience less paperwork, fewer taxes, more joy, and more impact for the charities they really care about. At NCF, we also serve professional advisors and ministries and churches in exciting and innovative ways. The result? Since 1982, we've sent more than \$6 billion in grants to over 40,000 charities who are doing amazing work around the corner and around the world.

Across the country, NCF's team is comprised of some of the brightest, most passionate experts in charitable giving. But even better, we share your Biblical view of generosity that inspires our work every day.
